

# MARQUET INTERNATIONAL, LTD.

IS PLEASED TO ANNOUNCE THAT  
IT IS CELEBRATING ITS

## FIVE YEAR ANNIVERSARY

February 2006 – February 2011

Marquet International has been providing expert investigative, litigation support and corporate security services to its clients, including law firms, financial institutions, corporations, and their counsel, since it was founded in February 2006.

“We are pleased to have reached this important milestone in our history,” said Christopher T. Marquet, founder and CEO of Marquet International. “As a boutique investigations and business intelligence firm, our growth has been dependent upon delivering the highest quality investigative services available – especially in the past few years’ difficult economy,” said Marquet. “Happy clients and referrals are critical for the success of business services firms like Marquet International,” he continued.

In marking the occasion, Marquet International will be presenting a series of exclusive five year anniversary lectures on topics such as *Due Diligence for the Private Equity Industry; Litigation Intelligence: Vetting Parties in Disputes; Ponzi Schemers, Embezzlers and Fraudsters, Oh My!* and *Asset Recovery In A Down Economy*.

Mr. Marquet has more than a quarter century of experience in the industry, having spent nearly 19 years at Kroll Associates in a variety of executive level positions. Prior to founding Marquet International, Mr. Marquet was a founding principal of Citigate Global Intelligence and a senior executive with Vance/DSFX. Over the course of his extensive career, Mr. Marquet has been involved in literally thousands of investigative and corporate intelligence projects around the world, including employee misconduct, due diligence and fraud matters. He is the author of numerous industry-related articles, including *Small Businesses Face Greatest Risk For Fraud & Embezzlement*, *Green Energy Investment Scams: Do Your Due Diligence*, *Violence In The Workplace: Can It Be Stopped*, *Resume Fraud: The Top Ten Lies* and the annual *Marquet Report on Embezzlement* which can be found at [www.marquetinternational.com](http://www.marquetinternational.com). He is a graduate of Dartmouth College with an A.B. degree in Physics, Economic and Philosophy.

Marquet International serves law firms, financial institutions and public and private corporations in three distinct service areas: Corporate Investigations & Litigation Support; Corporate Intelligence & Due Diligence; and Corporate Security & Business Controls consulting. Based in the Northeast US with presence in Boston, New York and Washington, DC, Marquet International operates with the highest professional and ethical standards. We seek strong relationships with our clients, building long-term trust in our abilities and confidence in our work product.
