**Marquet International Announces Launch of New White Collar Fraud Blog**

**Boston – October 27, 2008** – Marquet International Ltd. announced today that it has launched the interactive blog, “White Collar Fraud Talk” focused on the review and discussion of major white collar crime cases and trends.

“We are excited about adding to the dialog on white collar fraud,” said Christopher T. Marquet, CEO of Marquet International. “Fraud isn’t something that is going to go away anytime soon – in fact, with the economic downturn, we expect that corporate frauds and employee misconduct will be on the increase.”

White Collar Fraud Talk is intended for attorneys, law enforcement, regulators and investigators. It can be found on the World Wide Web at <http://fraudtalk.blogspot.com>. “We intend to make regular postings outlining significant corporate fraud cases in the news and hope to initiate useful discussion,” said Mr. Marquet.
